Assalamu Alaykum Warahmatullahi Wabarakatuh

18 January 2022

This is an invitation to save lives by writing to NSW MLCs and signing a petition.

This is NOT a call for donations – AFIC is grateful for your support of our important projects.

AFIC as a major sponsor of this project, that is managed by Dr Wissam Soubra (Podiatrist & UTS Academic) seek your help to convince the members of the NSW Legislative Council to vote against the Euthanasia Bill.

This is a pressing issue that impacts us all.

With the help likeminded Australians, AFIC is taking part in an initiative against Euthanasia becoming legalised through The Voluntary Assisted Dying Bill.

We would like you to also share this email amongst your contacts as we are reaching out to all people of conscience on the important matter of protecting the sanctity of life.

We are calling on all people who are for life to be a part of this common core goal we share by reaching out to their constituents and providing them a medium for their voices to make a difference.
