AFIC sends love and prayer to the Turkish people and launches support campaign

Public Statement

6 February 2023

“Today a 7.8 magnitude devastating earthquake caused death, destruction and injury in Türkiye and Syria; its shockwaves were felt as far as Lebanon, Cyprus and other countries. We feel your pain, we offer our prayers, love and condolences for the victims and their families. We stand with the government of Türkiye as it offers support to the survivors.” Said AFIC President Dr Rateb Jneid.

“I call on our member societies all around Australia to dedicate this Friday’s Mosque service to pray for the people of Türkiye, Syria and Lebanon and to raise funds to help survivors in the most affected areas. Our humanitarian account will dedicate all funds collected over the next 10 days to the relief efforts in Türkiye.” Said Dr Jneid
